

YMCA Lap Swimmers:

Please park in the locations that are circled – lower right (A Lot) or upper left (RA Lot).

Follow the yellow lines:

From the A Lot (37 on map) – Walk all the way through the Student Center (2 on the map) to the RA Spine (hallway). As you pass the weight room there will be a hallway to your right. That hallway takes you to the locker rooms (thick red line on map). You walk all the way through the locker rooms to get the locker room entrances to the pool. There are directional signs to the pool in both locker rooms.

From the RA Lot (45 on map) – Enter the main entrance of the RA Facility (4 on the map). Walk straight ahead to end of the hallway and turn left into the RA Spine (toward the Student Center). Walk past the Fitness Center and the elevator and there will be a hallway on your left. That hallway takes you to the locker rooms. Walk all the way through the locker rooms to get the locker room entrances to the pool. There are directional signs to the pool in both locker rooms.

Please reach out to me directly if you have any questions, and welcome to our facility!
