

## CHILD CARE – PARENT INFO

We encourage families to keep their children at home; however, it goes without saying that some parents must work. It is our desire to provide a safe and reliable place for these children therefore YMCA will be offering Emergency School's Out Camp child care while school is out of session.

**The camp days will run from 7:30 am – 6:00 pm.** Swimming **WILL NOT** be offered for these camp days.

**LUNCH:** Sack lunches will be provided by the school district lunch program and will be dropped off at the Y. However, a bag lunch may be brought from home if you prefer.

**REGISTRATION:** If you wish to register your child(ren) for any of these Emergency School's Out Camp days, a separate registration is required. Registration can be done online, in house, or over the phone. There is a fee of \$30/day due upon registration. Please note that we do have a capacity on these days due to staffing and space constraints.

**Children and staff will be screened upon arrival to guarantee safety of others. Those presenting symptoms of illness will be asked to leave. Should your child show symptoms during the day, a parent must pick up immediately.**
