SWIM LESSON RULES AND ON DECK POLICIES

- 1. We ask that an adult remain on deck with the child until that child's name has been called by the instructor.**
- 2. Preschool parents should remain on deck through the entire lesson.**
- 3. Parents of youth ages 6 and up should remain on deck until your child is with the instructor, and should return to deck 5 minutes before class ends. Please remain in the building in case you are needed for an emergency.**
- 4. Our swim lessons incorporate lessons on safety and character development. These are often taught by sharing a group conversation.**
- 5. Children sit on the side of the pool for several reasons. They may be receiving specific instructions or practicing a skill out of the water before trying it in the water. The instructor may be using a one on one method of teaching. Others remain seated on deck or in the water with a hand on the wall until it is their turn.**
- 6. Instructors for Levels 4, 5, and 6 may teach from the deck to better observe their students and teach specific skills.**
- 7. Children must remain on deck until instructor gives permission to enter the water. Children must exit the pool at the end of class. There is no open swim during group lessons.**

If you have any questions regarding swim lessons, please contact our Aquatics Coordinator, Sue Morton, at swimlessons@marshallareaymca.org
